

TERRACOTTA RAINSCREEN

# Burlingame Safeway Shops

Burlingame, CA

Terra5 was selected by PSM Architects, who specialize in commercial and retail projects, to create a new community hub in Burlingame, CA. Safeway is the anchor of this new addition to the area. The warm color of terracotta on a Terra5 Vci.45 rainscreen system created clean lines that are perfect for this new development.

System Type: Vci.45  
Panel Type: Terra5  
Architect: PSM Architects
