

SWISSPEARL® FIBER CEMENT RAINSCREEN

# Daemen College Athletic Academy Center

*Fiber Cement Façade for this Campus Athletic Center*

[Daemen College](#) near Buffalo, NY has a new Academic and Wellness Center for their students designed by award winning firm, [Flynn Battaglia Architects](#).

System Type: Alpha Vci.10

Panel Types: [Swisspearl](#)®

Architect: [Flynn Battaglia Architects](#)

Seeking to incorporate high insulation value and a beautiful fiber cement facade, [Swisspearl](#) and ECO Cladding attachment systems were a perfect fit. The ECO Cladding brackets come in a variety of depths and are adjustable. The building complements the residential neighborhood and anchors one of the campus' corner.
