

FIBER CEMENT RAINSCREEN

# Lockheed Martin Utility Building

Dallas, TX

← Before Recladding

James E. Langford Architects incorporated the Cem5 rainscreen to re-clad one of their corporate client's utility building. White panels and a blue painted girt system was used to tie into the campus. The before and after were very well received.

System Type: Hci.10

Panel Type: Cem5

Architect: James E Langford Architect

Installer: Hollerman Construction

Completed: 2009
