

FIBER CEMENT RAINSCREEN

The SoNo Collection – Norwalk, CT

A sweeping façade feature for a new shopping and entertainment center

The SoNo Collection incorporated Swisspearl fiber cement panels which provided an inviting and pronounced entrance to the shopping & entertainment center.

Taking advantage of [Swisspearl's](#) flexibility, [Callison RTKL Associates](#) created a sweeping feature to attract customers and visitors to the new SoNo Collection shopping and entertainment center.

Panel Type: [Swisspearl®](#)

System: [ECO Cladding Hci.10](#)

Architect: Callison, RTKL Associates
