

## TERRA COTTA SUNSCREEN

Mission College Student Center – Santa Clara, CA  
*A Sunscreen baguette system design for Mission College Campus*

[LIONAKIS](#) incorporated Terra5 sunscreen baguette system on the the second phase of the existing main building replacement at the Mission College campus. The Center houses a variety of student services, including a Welcome Center, Admissions and Records, Financial Aid, Health Services, Student Outreach and the Career/Transfer Center, among others. The design intentionally incorporated student gathering and study spaces throughout. The facility is registered with the certification goal of LEED Platinum.

Panel Type: [Terra5](#)
